### WORK EXPERIENCE

01/09/2022 – 01/03/2023 Istanbul, Türkiye

#### **CODING INSTRUCTOR** ATOLYE VIZYON

I am tasked with providing coding education to children of ages between 10 and 14. We hand the children mobile games to complete and collect various data such as their general behavior, psychological thought processes, how well they performed and how much time it took for completion, whether they perform better by themselves or as a team and if they consider it a competition or not. Afterwards, we evaluate this data and convey it to Koc University.
